I will always remember the tractor rides, building forts and climbing up the chicken coop into the tree fort that our Tata helped us build. I'm sincerely grateful for his teachings and hope to be as good of a man as him someday.

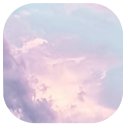

Anthony Arevalo

There are many things I miss about my Tata but I mostly miss our talks and the advice he would give. "Be good...But if you can't be good then be careful". I love you Tata.

Donald Ayala

Your memory will always remain with us Tata. We love you.
